Testimony regarding LB1132  
Judiciary Committee

Senator Ebke and Committee Members:

The League of Women Voters of Nebraska supports LB 1132, introduced by Senator Pansing-Brooks, as well as several co-sponsors. We believe that people who are victims of sex traffickers should not be further penalized by the justice system for their victimhood. Senator Pansing-Brooks' bill specifically provides for a procedure to set aside convictions of sex traffickers and provides for expungement of criminal history records of information of such victims. This is important rectification of the already evil effects of being a victim of sex trafficking. We urge the Judiciary Committee to act favorably on LB 1132 and send it to General File.

Respectfully submitted,

Sherry Miller, President  
League of Women Voters of Nebraska

John Else, Social Policy Director  
League of Women Voters of Nebraska
