LEAGUE OF WOMEN VOTERS OF GREATER OMAHA
ANNUAL MEETING, Saturday, April 15, 2017
9:00am-1:00pm
Field Club of Omaha

Call to Order: The meeting was called to order by President Elaine Johnson at 9:05 am. President Johnson introduced the new League Office Administrator Susan James who provided the attendance report. In reference to Article VII Section 4 of the Bylaws (one tenth of the voting members shall constitute a quorum at all business meetings of the LWVGO), President Johnson announced a quorum with the registration of 40 members present.

Introduction of Past Year Board Members: President Johnson introduced the officers and directors who served on the League's board this past year.

Vice President	Ann Chalson
Secretary	Kim Culp
Treasurer	Anne Starr
Past President	Gail Formanack
Public Policy Director	Peggy Adair
Voters' Guide	Kathy Dewell
Voter Rights Director	Maryanne Rouse
Membership/Recruit & Retain Directors	Linda Duckworth and Lynne Anderson
Membership/Data Director	Mia Crawford-Gray
Communications Directors	Geri Simon and Carolyn Duff
Finance/Development Director	Mary Jo Barbush-Weiss
Community Relations Director	Margie Dumas-Hill
Office Administration Directors	Marlene Mahoney and Carolyn Ireland

Directors who wished to recognize their committee chairs were allowed to do so. Past presidents in the room were acknowledged.

Annual Meeting Appointments: President Johnson appointed Bev Traub and Lynne Anderson to the Minutes Approval Committee, Marlene Mahoney to serve as Parliamentarian, and Jan Herzog, Katie Wadas-Thalken, and Linda Katalenich to assist with meeting procedure.

Secretary, Kim Culp, read the Rules of Procedure.

Approval of Minutes: The minutes of last year's Annual Meeting held on April 23, 2016, were printed in the Annual Meeting Workbook on pages 4-6. They were filed as printed and approved by the Minutes Approval Committee, Geri Simon and Ann Chalson.

Recommendations of the Board: The first item of business was the proposed amendment to the bylaws. The amendment was recommended by the Board of Directors requiring no second.

Secretary Kim Culp presented the proposed bylaw amendment: the following is a wording change for Article II “Purpose and Policy” section of our Bylaws. This wording was dictated by the IRS as a condition of our 501(c)(3) status.

Article II, Purpose and Policy, Sec. 3. Tax Status. “The LWVGO is organized exclusively for charitable, religious, educational, and scientific purposes, including for such purposes, the making of distributions to organizations that qualify as exempt organizations described under Section 501(c)(3) of the Internal Revenue Code, or corresponding section of any future federal tax code.”

A motion was made to add the recommended IRS wording to Article II, Section 3, of the Bylaws. With no discussion, members voted unanimously, and the motion was adopted.

Treasurer’s Report: The report for the fiscal year September 1, 2016 to August 31, 2017 is found on pages 7-8 in the workbook. An additional handout for the Educational Fund – see attached – was handed out. Treasurer Anne Starr reviewed the reports and responded to questions and comments. Since the LWVGO’s tax status is now 501(c)(3), dues are tax deductible. She also pointed out that the \$21,000.00 Weitz Foundation grant is a fixed grant amount for the office administration salary. The treasurer’s report, as printed, was filed for audit.

Adoption of the Local Program: The Local Program is found on pages 9-11 of the workbook. Joanna Lindberg submitted an update – see attached – to the Juvenile Justice Position. The majority was in the affirmative (by a show of hands greater than two-thirds), and the proposed updates to the Local Program for the Juvenile Justice Position was adopted.

President Elect’s Statement:

Nominating Committee Report: The report is found on page 12 of the workbook. Secretary Kim Culp read the portions of the bylaws pertaining to nominations. Annette Conser, chair of the Nominating Committee, presented the slate of officers for 2017-2018. Nominations from the floor were open. A move was made by Geri Simon (seconded by Helen Atwater) that nominations from the floor be closed. The motion was adopted.

Elections: The secretary read the Bylaws provisions pertaining to elections. The slate of Officers and Directors presented by the Nominating Committee were unanimously elected by voice vote.

Installation of Officers: Past President Polly Goecke, assisted by Bev Traub, installed the officers, directors, and nominating committee members.

Awards: President Johnson called upon last year’s Make a Difference Award recipient Carolyn Thiele to present this year’s award to Joanna Lindberg for her outstanding leadership and tireless efforts to educate and engage voters, especially young voters, ex-felons, and new citizens.

President Johnson recognized the retiring members of the 2016-17 Board of Directors for their outstanding contributions and presented each a gift.

President Elect's Statement:

I want to thank Elaine for her service as president this last year. We have made great strides under her direction. I also want to thank the membership for electing me. It is a great honor.

This will be a year of growth and change, many of which have already started. We are going online more and more and are in the development stages of a new website. We will be spending more time in collaboration with other nonprofits to expand our reach to continue our mission of voter services. Part of our efforts will include updating our Bylaws, Policy and Programs. Thank you.

Membership Discussion:

- We have new office space that is more private.
- Linda Duckworth of the Membership Recruitment & Retention Committee would like to renew interest and participation in the Observer Corps. More volunteers are needed to observe meetings and report back, and get contact information for various boards/members. Examples include NRD, OPPD, MUD, State Legislature, and the City Council.
- Carolyn Thiele spoke about the Nebraska Civic Engagement Table, forming canvassing teams, engaging millennials, and the access we have to interns. She also spoke about the success of the postcards.
- It was suggested that the directory, although it is now available electronically (and soon to be online), also be available in a printed format so we represent ourselves as professionals.
- Alex Garrison, our new web-master, spoke of the new website, as well as the social media outlets we are utilizing: Facebook (including sponsored ads), Twitter, and Instagram.

Directions to the Board:

1. Study the impact of the printed Voters Guide before making any changes. Do a marketing survey, perhaps get a grant and survey other Leagues. Maybe just print enough for libraries and the Election Office.
2. Fundraise. Check with Helen Atwater for previous schedule for sending out fundraising letters.
3. Investigate liability insurance for the board.
4. Be more involved with city and school issues. Action Alerts were suggested.
1. Investigate membership dues increase.
2. Increase the use of online communications without ignoring our non-digital members.
3. Don't be so frugal that we neglect members.
4. Build a relationship with North Omaha radio stations.
5. Get a nonprofit sponsor for the Voters' Guide.
6. Work with the Chamber of Commerce.
7. Explore a grant from Google. We've received one in the past.
8. Take pictures of events in which we participate and share them.

9. Select a Finance and Development Committee to plan fund raising.

Announcements:

- OTOC (Omaha Together One Community) has a meeting on May 1st.
- Omaha Gives – May 24th
- Transition meeting for outgoing and new board members – tentatively May 11th
- An additional introduction was given to Susan James explaining that her job with the LWVGO was part-time, and that she also works for the Omaha Symphony. Susan also has a son, and has experience writing grants. Welcome Susan!
- Members only have to be 16 years old to join.
- Betsy Davidson was introduced and recognized as a 67-year member! Her advice was to emphasize non-partisanship and encourage voting.

Adjournment:

With no further business or announcements, the Annual Meeting was adjourned at 11:15 am when we broke for lunch. After lunch, Incoming President Anne Chalson then introduced speakers Dr. Jody Neathery-Castro (Political Science department chair at UNO) and Dr. Paul Williams (Religion department chair at UNO) - - - they gave a talk about the new minor field of study they are offering for Human Rights Studies, the Goldstein Lecture Series on Human Rights currently ongoing at UNO, as well as the photography exhibit.

THE LEAGUE OF WOMEN VOTERS
OF GREATER OMAHA
LOCAL PROGRAM 2017-2018

GOVERNMENT

CITY CHARTER AMENDMENT:

In years when the City Charter Review Commission meets, the League will monitor and evaluate the recommendations of the commission. When the recommendations come before the City Council, the League may take a position on individual amendments and present the League's position on the individual amendments before the City Council. (1956, amended 1964, 1965, 1967, 1994).

CITY GOVERNMENT:

- Representation:
The League supports representation on the City Council by districts. (1971, amended 1974, 1978, 1979, 1988), LAW PASSED 1979, effective 1981.
- Elections:
The League supports city elections separate from state and federal elections, in which all City Council seats run concurrently with the Mayoral election. (1988, amended 1992), LAW PASSED 1990, effective 1993.
- NEW STUDY: City/ County Merger. Information to be available to membership within two years. (adopted 2003, 2004)

CITY FINANCING:

A primary goal of city government should be the efficient and most effective use of tax revenues. Those city services which directly promote the general health, welfare, and safety of the community should be financed by general taxation.

Omaha should maintain a tax structure wherein its revenues come from a balanced mix of property tax, sales tax, and user fees. User fees should be clearly stated and should not discriminate against any one segment of the city's population. (1982, amended 1990, 1991, 1993).

URBAN PLANNING:

The League supports the use of growth management techniques and tools for limiting urban sprawl. These techniques encourage mixed land uses ensuring a range of housing options and creating walkable neighborhoods which promote distinctive attractive communities. Development should foster neighborhoods with a strong sense of place and include reinvesting and existing communities. The participation of citizens and stakeholders should be encouraged in development decisions that are fair, equitable, and cost effective.

The League encourages a more efficient use of resources which will preserve critical natural resources and encourage preservation of open spaces, farmland, and wetlands. Developments should include storm water management to preserve unpolluted water sources improving the quality of existing water bodies and streams.

The League supports the development of standards and regulations that ensure growth will occur in an equitable and sustainable manner. (2005)

COUNTY GOVERNMENT:

The League supports representation on Douglas County Board by districts. (1983, amended 1992), LAW PASSED 1991, effective 1992.

PUBLIC UTILITIES:

- Advertising:
The League believes public utility should refrain from political advertising. (1977, amended 1983, 1992, 1998).
- Electric Rates:
The League supports a rate structure that is based on equitable allocation of costs and encourages energy conservation. OPPD should charge a higher proportion of the actual cost of extending distribution lines to new customers. Customers should be given an explanation of any change in rates. (1977, amended 1983, 1992, 1998).

NATURAL RESOURCES

HAZARDOUS WASTES:

The League supports proper hazardous waste management in Douglas and Sarpy Counties. (1981, amended 1985, 1992). See State and National Programs.

GREATER OMAHA PARKS AND OPEN SPACES:

The League supports parks and open spaces because they add to the quality of life of the citizens and enhance the preservation of wildlife.

We encourage green space linkage between parks and the development of a variety of kinds of parks, i.e., linear, active recreation areas, low impact retreats, and mini-parks.

The budget for parks and recreation should be adequate to provide for quality maintenance, for conservation of park resources, and for acquisition of major parkland in the most cost-effective manner. (1986, amended 1990, 1992).

NEW STUDY: Urban Growth Policy in Metropolitan Omaha

Review and discuss issues of urban sprawl, smart growth, sustainable communities, and new urbanism; to identify key smart growth elements; to review the city's Master Plan and other area planning documents. (2003, 2004)

HUMAN RESOURCES/SOCIAL POLICY

CHILD CARE:

Every child is entitled to humane care in a safe and healthy environment which promotes personal, emotional, and intellectual growth.

Uniform minimum standards for child care should be established and enforced by federal, state, and local governments.

Government agencies that set standards for child care centers should provide parents and caregivers with clear and concise information which fully explains the standards.

Inspections of child care homes and child care centers should be efficient and effective, unannounced, at least biannual, and constructive in nature. (1979,1999).

POLICE-COMMUNITY RELATIONS:

A good police department should incorporate police-community relations in its day-to-day operations. To better serve the total community the police department should have:

1. A strong public relations program.
2. Programs designed to develop total community cooperation and awareness of the police department.
3. Ongoing training in human relations skills, conflict management, as well as racial-cultural and gender sensitivity for all police officers.
4. A training process that includes qualified civilians as trainers.
5. Appropriate funding for a strong continuing education program.
6. A publicized telephone directory listing for citizens to channel compliments and complaints. (1973, update 1983, amended 1992, 1993). Telephone Directory, 1990.

JUVENILE JUSTICE-LWV POSITION (2017)

The League supports a juvenile justice system that provides for realistic, beneficial and humane treatment of the juvenile offender, as well as protection of the community. It advocates the use of community-based alternatives to incarceration, and programming that is education based, family centered and rehabilitative. To achieve these goals, the League advocates a high governmental priority in funding for youth issues. (1994, 1999, 2016)

Specifically, the League supports:

- Establishment of a county–wide intake and assessment system for all youth at risk. There should be a 24-hour information and crisis line that networks with all juvenile services and provides referral for family services
- Identification, separation and control of the small group of serious, violent, and chronic juvenile offenders who are responsible for the majority of serious criminal offenses
- Pre-trial diversion based on risk and needs into alternative programs
- Utilization of a broad range of public and private alternatives to detention.
- Utilization of local family community-based evaluations with family preservation and intervention services to include the whole family unit.
- Promote initiatives to prevent youth from being filed on in both the child welfare and juvenile justice system; to coordinate youth services and reduce duplication of services
- Development of proactive delinquency prevention strategies to avoid youth entering the juvenile justice system
- Incorporate restorative justice principles that emphasize repairing the harm caused by criminal behavior through cooperative processes that include victims, offenders and others working towards a positive outcome for all
- Incorporation of comprehensive planning designed for youths individualized needs in the secure and non-secure facilities which should include ensuring youth physical and emotional well-being, advancing life skills and education goals to benefit youth’s reentry into the community
- Support ongoing staff training and professional development in best practices

ANNUAL REPORTS

EXECUTIVE BOARD

PRESIDENT: ANN CHALSON

This was a year of growth, stress and tragedy. Last summer we lost our dear friend and newly elected Vice President, Kim Culp. Several League members attended a Memorial Service to celebrate her life at the Dowd Chapel on the Boys Town campus with many of her friends and family. Joanna Lindberg and Carolyn Thiele spoke on Kim's work for juvenile justice and their experiences working with her. The League of Women Voters of Greater Omaha created the Kim Culp Forum on Juvenile Justice to honor her. The first forum planned in conjunction with Partnership for Kids was held on March 22, 2018 And was a great success.

With the capacity grant we received at the close of 2016 we hired an office administrator for twenty hours a week to create a new, colorful version of our monthly bulletin among many other duties. One of those is sending out almost daily Action Alerts from the state and national leagues asking members to contact their congressmen, senators and state representatives. Our co-treasurer, Lynne Anderson, has taken over the payroll duties which saves the League money.

In addition to the Weitz Foundation grant we also received donations from Valmont Industries, Lozier and Omaha Gives, as well as generous donations from our members and the League of Women Voters of Nebraska Education Fund. We have added a board position to oversee fundraising for the coming year.

I worked this year with Omaha Together One Community (OTOC) on their effort to raise awareness of the problems with the Payday Lending regulations in Nebraska and the need to change the laws currently affecting the system.

Linda Duckworth, working with UNO Service Learning and Rita Shaughnessy's AP Speech class, once again presented our biannual Running and Winning project to introduce high school girls to women elected officials and the possibility of running for office in the future.

Our public access television program Go Vote Omaha continues to create exciting programming and offering thoughtful discussions of current policies affecting all those in Omaha.

Alex Garrison developed and created a new website for the League with timely content and the ability to more effectively use the PayPal for members to pay for League events. Included on the website is a link to all YouTube programming created by the League.

During the Omaha municipal elections, last spring we once again used vote411.org and tested a new format for the Voters Guide. Kathy Dewell is currently contacting candidates for this year's guide. Laura Torres has offered to translate the guide into Spanish and we are currently exploring our options for distributing Spanish guide. Working with the Omaha Press Club and WOWT Channel Six, we presented a mayoral debate last spring and have a Democratic Congressional Primary debate scheduled for April 19, 2018.

Voter Services and the GOTV Committee continue to schedule voter registration events, coordinate voter registrar training, naturalization registrations and new voter education programs. Last fall we once again participated in National Voter Registration Day at all area Libraries and select schools. They continue to access mini grants offered by various groups to cover many of their costs. They have regular meetings with the Douglas County Election Commission and build meaningful coalitions.

This year we were featured in Omaha Women Today magazine and will received recognition from the Douglas County Historical Society.

It has been an honor and a privilege to serve as your president for the last year and to be selected to serve another term.

VICE PRESIDENT: REBECCA ARMSTRONG LANGLE

I took over as the Vice President for LWVGO after the extremely sad death of Kim Culp. Kim contributed so much to the League over the years, and she will be greatly missed.

During my short tenure, I attended various meeting and forums and represented the League on panel discussions. Additionally, I continue to work with Vote411, the League's online Voter's Guide, at the state level. I am excited to continue as the Omaha League Vice President. I hope to increase the League's presence in Omaha, especially in younger populations.

TREASURER: ANNE STARR

One-line explanations of the priority bills and links to the bills online can be found at the LWVGO website.

VOTER SERVICES: MARYANNE ROUSE

While I'm sure that each year in the Land of Voters Service is unique, this one appears to have been even more so than 2016 which was highlighted by lots of activity surrounding a Presidential election.

In the early part of 2017, we served our normal events: monthly Naturalization Ceremonies and outreach and registrations for the Omaha City elections. This included high school and community registrations as well as distribution of a poster about why it was important to vote in the City election. We also used our registrant list from 2016 to send postcards and text reminders about the April primary and May general elections.

Millard Public Schools invited us to conduct voter registration for their seniors in October so they could vote on the Millard School Board initiative in November.

In August, the Voters Services Director fell, broke her leg, which created a gap that was filled ably by other members, particularly Ann Chalson, Carolyn Thiele, Joanna Lindberg, and other members of the GOTV Team. (Ann even made a trip to the hospital for a hand-off of information about upcoming events.)

Nevertheless, in 2017, LWVGO:

- Logged 851 volunteer hours by 195 volunteers.
- Registered 468 folks at 70 sites, including 132 seniors in high school, 162 community sites, 174 newly naturalized citizens.
- Distributed 520 Citizen Guides to Voting and displayed voter information in 125 City buses.
